

# The sentence

Is a group of words combined together to give a complete thought.

It starts with a capital letter and finishes with a full stop, question mark or exclamation point.

Consists of a subject, verb, object, where the verb is the most important element.

You may have a sentence in the IMPERATIVE form using a VERB only like: Stand Up, Come here!, Stop!

# The paragraph

Is a group of sentences joined together about a single topic

The first sentence is often the topic sentence that holds the general idea of the paragraph

Each sentence contributes to convey the meaning of the paragraph.

Paragraph is often between five to ten sentences long.

The first sentence is often moved in a few spaces before.
